Special Issue on
Block Copolymers: Synthesis, Self-Assembly and Applications

Call For Papers

A new Special Issue *Block Copolymers: Synthesis, Self-Assembly and Applications* (http://www.ajpst.org/sinfo/316003) has been launched in *American Journal of Polymer Science and Technology* (http://www.ajpst.org). This Special Issue intends to collect research achievements concerning Block Copolymers. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

**Lead Guest Editor**

Lead Guest Editor: Hongbo Feng
Affiliation: Pritzker School of Molecular Engineering, the University of Chicago, Chicago, Illinois, USA

**Paper Submission**

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via http://www.ajpst.org/submission

**Topics of Interest Include (but not limited to):**
- Controlled polymerization techniques
- Stimuli-responsive materials
- Block copolymers
- Self-assembly
- Polymer interfaces
- Hybrid materials

**Important Dates**

Submission Deadline: **Apr. 10, 2020**
Publication Deadline: **Jun. 10, 2020**

**Join as Guest Editor**

For scholars who have intention to join the special issue as guest editor, please check out the link below:
